## To All of Hart King's Business Clients and Friends: Are Your I-9 Forms Current?

Beginning January 22, 2017, all employers must use the updated Employment Eligibility Verification form, aka Form I-9, for all newly hired employees. The current form shows an expiration date of 08/31/2019 in the top-right corner. If you continue to utilize an out-of-date form, your company will be out of compliance and subject to fines if you should be audited.

If you have not already updated your forms, please click on the button below to take you directly to the new and acceptable form or contact us to assist you.
