## Long Term Lease & Rent

By: Bill Dahlin, Partner

SB 999 was introduced on February 13, 2020 by Senator Tom Umberg. This new bill seeks to completely eliminate the long term lease exemption for any lease entered into on or after January 1, 2020. In theory, this bill is repealed as of January 1, 2025.

The chaos that this bill could cause is impossible to describe. Contact your assembly person and senator to voice your displeasure ASAP. To view this bill, [click here](#).
